And while others are impressed by Bard's unusual ways to wield his magic, I'm not really sure if this is Bard's own ideas of if it's supposed to be Masaharu inspired by anime and games. Then Bard, the son of a count, wakes up after being ill just as his father hears from a healer Bard has two extra souls in his body. Multi-Mind Mayhem stitches together a lot of popular tropes, but it doesn't introduce us to this world well. I think I could have enjoyed the story with Bard just as a typical short-tempered shounen action hero, but with a title like Multi-Mind Mayhem, I want to see internal conflicts as he — well, they — explore this fantasy world. If volume 2 of Multi-Mind Mayhem: Isekai Tensei Soudouki can get the manga to look less flat while Bard is swooning over animal ears or crumbling in fear from his mother, that would go a long way. - Re: zero. - Akame ga kill. - DxD. I like that he's not some super-mature teen. The characters in SD form are too simplistic. reinkarnasi, doang. "heiii. With help from his allies, Bard isn't going to let anyone stop his new products from hitting the shelves. © 1996-2014, Amazon.com, Inc. I read vampire system and thought the MC was a giant pussy and simp, so I plan to change it up. The way the first chapter ends, readers assume that Sanai and Masaharu have gained consciousness in Bard. They reminded me of women from Fullmetal Alchemist, and since that manga had no shortage of awesome gals, I hope this series continues to follow those footsteps. I knew a moneygrubbing samurai and modern otaku were sharing the same body, and I thought the series would be about the two spirits (and perhaps their host) squabbling or having conferences, something like the mental meetings of the various Katarinas in My Next Life as a Villainess. But Honoji doesn't have Arakawa's comedic chops. Creator 7 : I'm not dreaming right??? Separately, Oka Sanai Sadatoshi and Masaharu Oka (perhaps related?) slowly realize they've died, and then there's a mysterious light. The Masaharu inside of Bard is delighted by this fact, but Sadatoshi is more interested in tough battles. But Bard doesn't seem to know he has other souls inside him, so right now, the title is a bit of a misnomer. - Guilty Crown. Going back to the Fullmetal Alchemist comparisons, Bard has a bit of an Edward Elric vibe in both appearance and temperament, especially his love/fear of his female mentor (in this case, Maggot). It's much better when Bard is plotting or swords are a-swingin' and arrows a-flyin'. A lot of the humorous panels seem more like Twitter scribbles than an actual manga. Which is to be OP and make a harem right? The three of them are hardly in conflict. - Seirei tsukai no blade dance - Sao. But Bard is no ordinary boy—he's got three souls packed into one body! Aside from his own consciousness, he's got Oka Sanai, a miserly samurai, and Masaharu Oka, a high school otaku who loves animal ears. He who had the strongest magic cheat utilizes this power to create a harem full of beautiful girls while saving the world.Read Nowisekai or tensei character should do right? They obviously influence the young noble, as Bard keeps coming up with groundbreaking (in this world) ideas like refining sugar from beets. I wanted to unleash this ability, on the 1st year, when mc wants to get the metamorph ability from Nymphadora Tonks. Description Balud Cornelius is the son of a noble of the Mauricia kingdom and inside him also dwell the stinky warring states commander Okasanai Sadatoshi and animal ear otaku high schooler Oka Masaharu. "haaaaahhh...." desahku reinkarnasi kedunia lain sih gak masalah, ya... I thought Bard might be the usual all-too-perfectly-talented lead, but he's actually acts more like his age than I would have thought. The characters have actual dimension, and the screentones and the inking are much more pronounced. Seillune, the strict but doting maid, and Selina, the slightly ditzy head of a trading company, both act like their relationship with Bard is professional, but they're not about to let that girl get close to Bard. While Seillune's and Selina's fawning and squabbling over Bard can get old quick, I do applaud Multi-Mind Mayhem for having some kick-butt females. With his extra knowledge of military tactics and business acumen, Bard's ready to cheat his way to the top! Get ready to enjoy the manga version of this hit isekai light novel series! I choose Demigure cause he fits promanceadventurereincarnationcomedyharemRead Nownovel is inspired by Mushoku Tensei, but rest assured that this story will be an entirely different isekai from that novel/anime. The unfortunately named Maggot, Bard's mom, is a legendary warrior, and Bard himself hires his mother's friend to protect his land. But moreso, I want the story to start to explore the dynamics between Bard and the two souls inside of him, whether he's able to directly communicate with them or just access their memories. Instead of fights inside of Bard, there are fights over Bard. - Gate. The art is definitely at its best in high-pressure scenes. The story doesn't really give a clear picture of how Bard views himself, and even how magic works in this world is barely explained. - Rakudai Kishi no calvary.
