MICHAEL JACKSON & AKON

## Hold My Hand Lyrics

Akon and MJ

This life don't last forever (hold my hand)  
So tell me what we're waiting for (hold my hand)  
We're Better off being together (hold my hand)  
Than being miserable alone (hold my hand)

### Through Your Hands

from [www.traditionalmusic.co.uk](http://www.traditionalmusic.co.uk)

You were dreaming on a park bench  
'Bout a broad highway somewhere  
When the music from the carillon  
Seemed to hurl your heart out there  
Past the scientific darkness  
Past the fireflies that float  
To an angel bending down  
To wrap you in her warmest coat

[Chorus:]

And you ask, "What am I not doing?"  
She says "Your voice cannot command.  
In time, you will move mountains,  
And it will come through your hands."

Still you argue for an option  
Still you angle for your case  
Like you wouldn't know a burning bush  
If it blew up in your face  
Yeah, we scheme about the future  
And we dream about the past  
When just a simple reaching out  
Might build a bridge that lasts

[Chorus]

So whatever your hands find to do  
You must do with all your heart  
There are thoughts enough  
To blow men's minds and tear great worlds apart

There's a healing touch to find you  
On that broad highway somewhere  
To lift you high  
As music flying  
Through the angel's hair.

Don't ask what you are not doing  
Because your voice cannot command  
In time we will move mountains  
And it will come through your hands

Soul is like a melting pot when you're not next to me

Tell me that you've got me and you're never gonna leave

Trying to find a moment where I can find release

Please tell me that you've got me and you're never gonna leave
