I had not given up just my life to follow Jesus, I was killing my father. Since you were born I have called you my 'jaan kay tuqray,' a physical piece of my life and heart. HG P.S. We've all read in the Bible that we must be willing to forsake father and mother to follow Christ, but do we have any real understanding of what this means? Qureshi blends great intellect with deep insight and emotional feeling. In eight sessions of about 30 minutes each he explores Muslim culture, the most common Muslim objections to Christianity, and the core doctrines upon which Islam stands or falls. I extinguished his pride. He has never stood as tall since that day. He holds an MD from Eastern Virginia Medical School, an MA in Christian apologetics from Biola University, and an MA in Religion from Duke University. The eyes that would turn back lovingly as he went off to sea (as a member of the US Navy), serving his nation and family. Ultimately, it's the story about the transformative grace and mercy of the one true God. This edition has been expanded to include: A revised foreword and introduction A new afterword by apologist Mark Mittelberg and a reflection by Nabeel's wife A substantially extended epilogue that shares how Nabeel told his friend David of his decision to follow Christ, how his parents found out, and more Expert contributions from scholars and ministry leaders on each section of the book, contributions previously included only in the ebook edition An appendix with a topical table of contents (for teaching from Seeking Allah, Finding Jesus) An appendix tackling the objection that Ahmadi Muslims—the Islamic movement that Qureshi was raised in—are not true Muslims And a sneak peek prologue from Nabeel's book, No God but One: Allah or Jesus Building on the powerful story and arguments he shared in Seeking Allah, Finding Jesus, author Nabeel Qureshi takes viewers deeper into apologetics and evangelism among Muslims with this complete video lecture course. In addition, you will learn much about Christian apologetics and key biblical truths, such as the death of Christ, the resurrection of Christ, the deity of Christ, the Trinity, and the trustworthiness of the Scriptures. This work will help you to understand your Muslim friends - where they are coming from and how to talk to them in a compassionate and intelligent manner. Why have you betrayed me, Bilaloo? [an affectionate nickname his parents used for him] Her eyes seared my soul and remain branded in my memory. "My friend Nabeel Qureshi was courageous enough to chase down the truth with intellectual integrity, no matter the personal cost." --Lee Strobel, bestselling author of The Case for Christ. Providing an intimate view into a loving Muslim home, Qureshi shares how he developed a passion for Islam before discovering, almost against his will, evidence that Jesus rose from the dead and claimed to be God. I cradled you, sang to you, taught you the ways of God every day since you came into the world. (32 min) 6 - Case for the Gospel (34 min) 7 - The Truth About Muhammad (26 min) 8 - The Holiness of the Quran (29 min) 9 - Reaching Your Muslim Neighbor (30 min) > Post Views: 820 Seldom have I read a book that is so hard to put down. As my friend and Muslim expert Dr. Roy Oksnevad told me, the author "lays out the struggle he had in making a decision to follow Christ. The book gives great insight into the struggle Muslims have with their own faith and the misinformation they are fed." Learning about Islam Besides being a great story, Qureshi will teach you much about Islam, but not in a dry, pedantic way. Since completing his medical degree in 2009, he has dedicated his life to spreading the Gospel through teaching, preaching, writing, and debating. Nabeel has lectured to students at over 100 universities, including Columbia, Dartmouth, Cambridge, Johns Hopkins, Oxford, Cambridge, and the University of Hong Kong. Seeking Allah, Finding Jesus Video Study develops in further detail the objections to Islam and case for Christianity that Qureshi introduced in Seeking Allah, Finding Jesus. "Why God ...?" Ammi (what the author calls his mother) had even fewer words than Abba, but her eyes said more. "You are my only son. The night before, I had looked into Abba's (what Qureshi calls his father) eyes as they welled with tears. Yes, seeking truth through dreams and visions can be dangerous, but combining it with prayer and study of the Word of God hopefully prevents some of the abuses we've seen over the years. Session Titles and Runtimes: 1 - Introduction (2 min) 2 - Understanding Muslims (26 min) 3 - Testing the New Testament (26 min) 4 - Coming to the Crux (26 min) 5 - Jesus: Mortal Messiah or Divine Son of God? He has participated in 18 public debates around North America, Europe, and Asia. The shaking was uncontrollable. Those eyes that had so tenderly cared for me since the day he whispered the adhan into my ears. To give you a glimpse, here is an excerpt from the last chapter of the book: I was a crumpled heap on the ground, trembling before God. When used with the accompanying Seeking Allah, Finding Jesus Study Guide, this accessible course is perfect for adult classes, small groups, segments in college or seminary courses, and motivated independent learners alike. Why did You leave me here? Compassionate and clear, Nabeel's lectures will be a useful training tool for pastors, outreach leaders, and any believers wanting to winsomely engage Muslims in spiritual conversations. Why did You leave me to hurt my family more deeply than they've ever been hurt? You came from my womb. I was awed by the author's transparency as he shared his incredibly heart-wrenching and profound spiritual journey. The man who stood tallest in my life, my archetype of strength, my father, spoke these words through palpable pain: "Nabeel, this day, I feel as if my backbone has been ripped out from inside me." These words tore through me. He is currently pursuing a doctorate in New Testament studies at Oxford University where he lives with his wife, Michelle. Follow Nabeel on Twitter: @NAQureshi Visit his website: www.NabeelQureshi.com NEW YORK TIMES BESTSELLER • 2015 Christian Book Award winner • Nabeel Qureshi describes his dramatic journey from Islam to Christianity in this expanded edition with new bonus content and reflections. I have loved you with all of me in a way I have loved no one else. To be the cause of the only tears I had ever seen those eyes shed, I could not bear it. I won't spoil your reading by giving away too much of Qureshi's story except to say that you will profit from it in many ways, perhaps most of all by better understanding the struggle Muslims have in converting to Christianity. "Why God...?" But I could not formulate my words. Dreams and Visions To bring about Qureshi's conversion, God used his tremendous desire to know truth, but He also used dreams and visions. This book combines autobiography and apologetics in a way I've never read before. Unable to deny the arguments but not wanting to deny his family, Qureshi struggled with an inner turmoil that will challenge Christians, Muslims, and all those who are interested in two of the world's greatest religions and the quest for truth. Qureshi—with great courage and intimacy—wrote this book with three major purposes in mind: To tear down walls between two of the world's major religions by giving non-Muslim readers an insider's perspective into a Muslim's heart and mind. To equip the reader with facts and knowledge, showing the strength of the case for the gospel contrasted with the case for Islam. To portray the immense inner struggle of Muslims grappling with the gospel, including all the sacrifices and doubts that rise up along the way. Seeking Allah, Finding Jesus is more than the memoir of a man's pursuit of answers to the most important issues of life and faith. The eyes that softly closed in prayer every night as he invoked the protection of God. Decimated before God, eyes pouring, nose and mouth unable to withhold the grief. I was finally able to sputter my question through tears and mucus: "Why God, did You not kill me the moment I believed? Following the release of his first book, Seeking Allah, Finding Jesus, he received the Christian Book Award for the categories of both 'Best New Author' and 'Best Non-Fiction' of 2015. Nabeel focuses on the foundations of the Christian faith, ancient Judaism, early Islam, and the interface of science and religion. "Why, God ...?" Though Abba did not say much, what he did say has haunted me ever since. Two weeks after accepting my Lord, I tried to plead with Him, while wailing and stammering through quivering lips. She survived, but her eyes have never been as bright since that day. High Recommendations Finally, if my recommendation of Seeking Allah, Finding Jesus is not enough to convince you to read this book, I will add that it comes highly recommended by the likes of Ravi Zacharias, Josh McDowell, and Os Guinness. None of us were sure she would make it through the night. Whatever you may think about the latter you cannot deny that (1) dreams and visions were common in Bible times, and (2) they are purportedly the means that many Muslims around the world today are coming to Christ. It felt like patricide. They never deserved this! I've destroyed it all! Nothing is left!" Only logged in customers who have purchased this product may leave a review. The author, Nabeel Qureshi (DOB 1983), grew up in the United States in a devout and loving Pakistani Muslim family. The information is woven naturally into the author's story. I extinguished that light. They were the final image I saw before Abba ushered Ammi out of my apartment to the hospital across the street.
